

What is immigration?

Go to Foreign country as a permanent resident and avail the benefits of permanent resident.

Where Immigration is possible ?

Canada / Australia/ Newzealand / UK

What is the minimum Qualification Required?

Immigration under skilled category works on point system. For Canada, as of now, one needs to score 67 points while for UK, the minimum required is 65 points. For Australia it is 120 points. Our experienced counselors can help you with assessing your points and required paper work to claim those points to help you complete immigration process.

Are you Authorized Agent ?

We represent CSIC for CANADA and MARA for AUSTRALIA

What is the benefit of govt. approved agent ?

1. File gets processed 50% more faster
2. Immigration chances increase to 80%
3. No chance of cheating
4. Before application you will be knowing your points.
5. Guidance for paper work
6. Will come to know recent changes from High Commission Immediately.

What services do you provide ?

1. Online assessment of your points
2. All documentation formats and means
3. Application to High Commission
4. Tracking File
5. Immigration for the entire family.
